Community Engagement

This year we will continue to collaborate with the wonderful local charity Regenerate Rise, who provide a day service for the elderly. The charity offers a safe and welcoming space where older adults can engage in activities and enjoy companionship and we are proud to contribute time and resources to help enhance these services.

Health and Safety

Your safety is our top priority. Please help us maintain a secure environment by ensuring you, avoid entering the construction site. Taking extra care with the site traffic flow and machinery.
