# The Homes for Ukraine scheme

- The Homes for Ukraine scheme offers a route to those who want to come to the UK who have someone here willing to provide them with a home.
- Sponsors can provide accommodation for as long as they are able, but the Government has a minimum expectation of 6 months.
- People arriving under this scheme will be able to:
  - Live and work in the UK for up to three years
  - Access healthcare, benefits, employment support, education & English Language Tuition

# The Homes for Ukraine scheme

The Government has published a number of guidance documents which include:

- [Guidance for sponsors](#)
- [Frequently asked questions](#)
- You will also find lots of information on the Council's Ukraine webpages: [wandsworth.gov.uk/ukraine](https://www.wandsworth.gov.uk/ukraine)
- Your feedback is appreciated on these resources!

# What is the Council's role?

The Council is responsible for undertaking:

- DBS checks on all those aged 16 and over in the sponsor household
- A home assessment visit to assess whether space offered by sponsors is suitable for guests
- A welcome visit when your guests arrive

These checks are separate to the visa application process and **do not have to be completed** before guests travel to the UK. However, we are working through these as quickly as possible.

# DBS checks

1. The Council will contact the lead sponsor asking them to fill in a short form providing names and email addresses for **everyone aged 16 and over** living in their household.
2. Within four working days, everyone listed on this form will **receive a system email from Employmentcheck** with login details to an online DBS application form and instructions on how to present their ID in person to verify their application.
3. Once the online form is completed and submitted, individuals will then need to **present their ID in person** at the Customer Service Centre in Wandsworth Town Hall. Hours are drop-in (appointments not required) between 9am and 4:30pm, Monday to Friday.
4. Once your ID has been verified, the check will be carried out by the Disclosure & Barring Service. A **basic check should take 2-3 working days**, and an **enhanced check** (required when there is a child or vulnerable adult in the incoming group) may take **up to 7 working days**.
5. The Council will receive an electronic notification as soon as your check is completed by the DBS and **you will receive a certificate directly from the DBS** by post within 5 days of your completed check.

# Home assessments

- The Council is required to carry out an in-person visit to your property, to ensure suitability and to check that the accommodation is safe and free from any hazards.
- This visit will be carried out by council staff from the Private Sector Housing team, working for the Regulatory Services Partnership serving the London Boroughs of Merton, Richmond Upon Thames & Wandsworth. **Please contact the Private Sector Housing team on [privatehousing@merton.gov.uk](mailto:privatehousing@merton.gov.uk) to arrange a suitable time.**

# What will happen when my guest arrives?

- You will have received an email with a link to an **online form** which you should fill out when your guest arrives.
- We will then contact you to arrange a **welcome visit**. This will be delivered by Children's Services if your guests include someone aged 17 or under, or by Council partner Enable if your guests include only adults.
- At the welcome visit you will be given a welcome guide which contains information about how the guests can access healthcare, schools, financial assistance and more. You can also find this information on our website.

# £350 monthly payments to sponsors

- Sponsors will be eligible for an optional 'thank you' payment of £350 per month, paid in arrears, for as long as you are hosting your guests, up to 12 months in total.
- The Council will administer these payments to sponsors when all checks have been completed. It is therefore important to make sure the DBS checks and the home assessment are carried out without delay.
