Section 6.10 makes the statement that the closure of Northcote Road has been positively received. This is not the case of residents who live near the road. The shops in the road have changed over the last two years and the changes are exclusively in favour of the hospitality sector. We are losing the shops that serve the local residents and getting bars in their place. The closures serve the bar owners and destination drinkers, not the local residents.

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

If you are seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)? (Please tick box as appropriate) . Yes, I wish to participate in hearing session(s)
