

INVITATION TO A PUBLIC CONSULTATION

AUBYN SQUARE AND TOLAND SQUARE

Wandsworth Council recently approved its commitment to make all homes within the council's '1,000 Homes Programme' available for council rent. The Council is committed to delivering more affordable housing and maximising its stock of affordable homes to ensure quality homes are available to those that need it most.

As part of the '1,000 Homes Programme', the council is reviewing its plans for additional new housing at Aubyn Square (Eastwood North) and Toland Square (Eastwood South) Estates.

We invite you to get involved in public consultation on early proposals for Aubyn Square and Toland Square. See overleaf for more details on when/ where to meet the team and how to provide your feedback.

The play spaces on both sites will be re-provided, and we are seeking to improve them.
