Dear Neighbour,

We hope you had a nice break over the bank holiday weekend.

This letter is to provide you with an update on our project to build the 6nr block of flats at Badric Court on behalf of Wandsworth. As I'm sure you can see we have started out site set up today May 9th and the enabling works will commence shortly. If any residents would like to meet us on site we are available on Friday 12th between 4 – 5 in the afternoon. Our compound is located beside Totteridge house.

Regards,

Paul McCarthy – H.A. Marks
