

# BATTERSEA CHURCH ROAD

**The London Borough of Wandsworth invites you to a public drop-in to find out more about garage site on The Somerset Estate, that could provide new council rent homes as part of the Homes for Wandsworth programme.**

We will be bringing forward proposals for a 100% council rent scheme which will be prioritised for local residents, wherever possible.

Following the previous consultation on the project, we have appointed a new team to look at the best way to design new homes and landscape to address some of the concerns previously raised.

Previous plans for the site sought to deliver a mixed-tenure tower block scheme - this is no longer the case.

We invite you to come along to our consultation event to meet the new team and view their ideas for new homes and landscape.

Thanks to those who came along to our pop up for estate residents and users of the sports pitch in April, the feedback we received was extremely helpful to understand what you would like to see in the development and the wider estate.

# How can you be involved?

Over the coming months we will be holding a series of exhibitions for you to give your feedback on the emerging designs for new homes and wider improvements to the estate.

We hope you be able to attend our events to let us know what you think. The information displayed at this date will be put onto the project website shortly after, so if you are unable to attend you can find out more from there. If you do not have access to the internet and require paper copies of the information, please contact the team on the details below.

 Wednesday 5th July

 3.30pm-8.00pm

 Dimson Lodge, 141
