

# How to recycle

STICK ME  
ON THE FRIDGE

Rinse containers. Squash plastic bottles, then replace lids. Remove lids from other containers. Place loose metal lids in clear recycling sack, all other lids with refuse.

Put tied sacks out for collection before 6.30am on collection day in your front garden where they can be clearly seen.

If you don't have a front garden place the sack by your entrance after 6.30pm on the day before collection is due.

# Not in the recycling sack

Find out how to recycle or dispose of these and other items: [www.wandsworth.gov.uk/howtorecycle](http://www.wandsworth.gov.uk/howtorecycle)
