

Section 1B Limited Company Skip/Material Licence Consent

Complete this section if you are a director or manager or employee of a business which is a limited company. If a firm is a limited company its title will end in one of the following forms; "Limited", "Ltd" or "plc".

Please complete in **block** capitals and in **black** ink. Failure to complete all sections may delay your application.

All initial applications must be submitted a minimum of five clear working days before the licence is required to commence. Day of submission is not included in the notice period. Requests to renew an existing licence may be made by phone, giving a minimum of three clear working days notice prior to the expiry of the initial licence. Failure to do so will result in a new application form needing to be submitted.

Please refer to the fees information online: www.wandsworth.gov.uk/skip-permits

For refund information please refer to the guidance notes online: www.wandsworth.gov.uk/skip-permits

The council reserves the right to refuse applications where it deems the location unsuitable.

In non-controlled areas signs will not be erected. The licensees must make their own arrangements for placing the skip or materials.
