Summary of recommended awards						
Charity/Company number	Postcode of organisation	Project name	Brief Summary of project	Ward of organisation	Primary Theme	Grant awarded
1172345 / 09487276	SW11 4NJ	Heritage Interpretation Boards on Wandsworth Common	We propose to design and install 4 heritage Interpretation Boards in distinct locations on Wandsworth Common. Initial designs have been done by Friends of Wandsworth Common and we propose to engage a professional designer/constructor to produce robust interpretation boards to a high standard with quality images. Once installed, we plan to launch them with an event to engage the local community, especially schools and will follow this with further guided walks.	Wandsworth Common	Environment & Attractive Neighbourhoods	£ 5,000.00
1069548 / 03461665	SW17 0BQ	Residential holiday to Isle of Wight	A residential holiday to the Isle of Wight at UKSA Isle of Wight centre for 20 young people with learning disabilities and/or autism. The activities will be a mixture of educational, fun and developmental; learning about pollution, the environment and climate change, whilst learning about employment opportunities in the marine world.	Wandsworth Common	Youth (13-18)	£ 8,000.00
1202051	SE1 1HW	Creative Soul Dance	Creative Soul Dance offers free, accessible, and supportive movement for wellbeing dance sessions in Battersea for adults of all abilities. This application is to further develop our daytime programme, at The ROSE Community Club Room which we have piloted as part of WBC's Arts Health & Wellbeing Programme, building on our successful evening class which has run at St Mary's Primary School since April 2022. The Pilot introduced us to social prescribing and this project would seek to further develop our social prescribing offer in Battersea/Wandsworth, particularly aimed at those experiencing increased levels of anxiety, those with low-level depression, those who have a sense of social isolation, and those wishing to increase mobility and flexibility and improve balance.	Shaftesbury and Queenstown	Health and Wellbeing	£ 9,980.00
1159176	SW18 3QH	Learning and Growing Together at the Paradise Cooperative	We want to develop and run at least 18 open access sessions to take place on site. The series of workshops will run across the year focused on green skills, sustainability growing and enhancing biodiversity in urban spaces. We will provide residents of all ages with the skills they need to manage urban green spaces sustainably and for biodiversity. The sessions will also provide opportunities for community volunteering.	Wandsworth Common	Environment & Attractive Neighbourhoods	£ 9,845.00
