ArtLucuna	ArtLucuna (Gallery and Project space)	ArtLucuna is an artist-led space established in May 2013. it accommodates artists studios, a residency and research programme, as well as project and exhibition space. We plan o using the grant to further ArtLucuna' s exhibition and events programme for 2017 - fostering a community atmosphere (drop in and chat) wider audience art participation: a free exhibition programme of innovative contemporary art, + free art workshops for local Falcon Road Estate Residents, and local youth community, as well as other Wandsworth residents.	£	1,130.00
Black Heroes Foundation	Black Heroes Soul Food Café	Black Heroes Soul Food Café will provide a creative space for inclusive artistic expression, at the northeast heart of Wandsworth's African and Caribbean communities; presenting 12 monthly public events, exploring the historical and contemporary presence of Black Britons in Wandsworth, facilitating cultural; enquiry and celebrating the significant contributions to humanity by peoples of Africa and the African diaspora.	£	5,000.00
Spectacles Productions Ltd	Memories of Battersea	Memories of Battersea is a video oral history project. Young adults from Battersea will be trained in video-making techniques to produce a short-film series. Participants will attend workshops and collect memories of older Battersea residents, bridging intergenerational gaps and engaging with the history of their borough.	£	4,625.00
Theatre 503	In event of Moone Disaster: Share the Drama	A production of <i>In Event of Moone Disaster, (Moone)</i> winner of Theatre 503's international playwriting award, running alongside two new writer engagement projects targeting individuals with stories to tell in the borough of Wandsworth. We aim to widen local engagement through Share the Drama scheme, bringing new audiences to the theatre.	£	5,000.00
Business Launchpad	Transforming Young Lives through Enterprise	This project will build on our existing activities in Wandsworth (Business Basic Workshops) to provide additional support and remove barriers to enterprise for young people through test trading grants, specialised workshops, networking opportunities and further targeted outreach activities to engage NEETs.	£	5,000.00
Battersea Community Music Group	Battersea Community Music Group	We are a young community group dedicated to teach music to children between 5 & 15 year old. Battersea Community Music Group is aiming to create a platform that enables an exchange of offer and demand for both musicians and families. BCMG is dedicated to bring the cost of music lessons to an all time low in order to reach out to the less fortunate of the community and enable those with raw talent to pursue their dreams. BCMG is now hosted by one community centre. We are aiming to extend the programme to STORM family centre.	£	2,765.70

Wandsworth Swimming Club	WSC Diving Programme setup	We propose to create WSC Diving specific squad training sessions in order to create a complete development pathway for the children doing diving in the borough. We intend to create a programme where we give children and young people the opportunity to develop to their full potential within the sport of diving. We also aim to create an environment that promotes a healthy lifestyle and an inclusive community.	£	4,404.40
Battersea Crime Prevention Panel	Battersea Summer Scheme	To send a group of approximately 45 disadvantaged young people from across the borough to a residential activity centre in Kent. They will take part in a wide range of outward-bound type activities based on land and sea with targeted evening workshops. The project is aimed at breaking down postcode barriers and improving self esteem.	£	10,000.00
Bolingbroke Fencing Club	School fencing club with epee	Bolingbroke Fencing Club (BFC) introduces Wandsworth students from a wide range of social backgrounds to fencing, a sport not normally offered in state schools because of the high cost of the equipment. The grant would purchase essential fencing equipment which can be used for a decade or longer, not just during the grant period. Additionally fencing is a wonderful sport for those students who do not like team sports.	£	2,548.00
Carney Community Centre	Carney's Community Boiler	Replacement boiler to heat our gym, centre and showers.	£	10,000.00
Community Church Putney	Putney Vale Youth Group	The aim of the project is to start a youth club on the Putney Vale Estate. The young people have no evening provision and are often on the streets at this time, particularly during the summer. The parents and residents recognise a need and are keen to support the project.	£	7,618.69
DP Health & Fitness Education CIC	Art Deck-O Introduction to Skateboard Art working and Skate Tuition	The project proposes to take groups of young people from around the borough and train them to create their own artworks. This project will engage and develop their creative ability to produce expressive imagery using a range of mediums. Once completed the young people will learn how to apply that artwork to the skateboard, reassemble the skate board then they will be taught to skate their board over a few sessions.	£	4,000.00
FAST (part of e:merge UK Ltd)	Patmore Early Intervention Programme	We would like to develop our work with 9 - 15 year olds creating a programme of intervention and support which gives the ability to change the direction of the life of an individual. This will be developed through drop-ins, sports sessions, group work and one to one coaching.	£	4,950.00
Football Beyond Borders	FBB Schools Programme at Chestnut Grove Academy	We are applying for support in the expansion of our Wandsworth FBB Schools programme. This will enable us to deliver our unique football themed, project based literacy curriculum to 40 male and female students from low income backgrounds at Key Stages 3 at Chestnut Grove Academy, Balham.	£	7,000.00
Future Skills Training	Infuse - youth café and club	Infuse is a youth café and club open Wednesdays and Thursdays 3.30pm - 6.30pm term time only. It provides a safe space for those aged 11-18 to engage in fun activities, enjoy home cooked food and build relationships with each other and the team. We also offer volunteer work experience opportunities.	£	10,000.00

CommuniTech London	CommuniTech's Tech and Tea	Tech & Tea is a monthly (or twice a month) event during which volunteers and people who need tech support gather together at a local library, share a cup of tea and tech related knowledge. If attendees are interested, it is possible to hold a 'Tech Talk' (mini seminar) followed by a workshop on key tech themes that are popular/requested (e.g. internet security, use of social media)	£	5,363.04
Coney Ltd	Playful Secret Agency	'Playful Secret Agency' is the act of anonymous gifts and loveliness to strangers. In this project Coney uses this method as part of the rehabilitation plan for the 76 most prolific re-offenders in the borough. 41% of crime reported in 2015/16 was theft. Identifying the skills of theft, Coney workshops with the clients to transform their skills to create something positive to others. If you can take something out of someone's pocket, you also have the power to put something in.	£	5,000.00
Just Enough UK	Delivering Modern Slavery and/or Radicalisation workshops to 15 Wandsworth Primary Schools	The project is to deliver 1 hour, child-friendly, fun and interactive workshops to schools in Wandsworth on radicalisation and/or modern slavery. We propose to work with 15 schools to raise awareness and educate on these topics. These workshops will help to protect children themselves, their communities and vulnerable individuals.	£	4,320.00
Full Circle Therapies	Enhanced Full Circle Therapy programme for Sickle Cell patients	This proposal is concerned with Sickle Cell disease with the aim of expanding the service the charity Full Circle Fund Therapies provides to St. George's Hospital, helping to meet the needs of patients and carers. Due to the lifelong and complex nature of the disease, there is an urgent need to increase our therapy services to offer patients a range of appropriate and timely therapeutic interventions. We need to fund additional therapists to meet this need and enhance the service.	£	10,000.00
Harvest of Grace	Harvest of Grace Trinity Centre	Our project provides hot meals every Saturday for homeless and vulnerable people in need of a hot meal in the community. Historically, our service users have ranged from young adults to the elderly, and groups of vulnerable individuals who have found themselves homeless. We provide activities that support early intervention and preventative work for those who may be vulnerable. It also offers arts and craft activities, befriending and mentoring and extra support for those who need access to local specialised community services and training and education and volunteering opportunities that can give them the tools to withdraw from homelessness and poverty and enable them to take progressive steps to rebuild their lives. Six of our volunteers and 10 beneficiaries gained permanent employment through gained skills and support acquired through Harvest of Grace.	£	5,000.00
Patrick McLaughlin	Football at Burntwood /Free taster sessions	The grant will be used to offer free taster sessions on one day a week for children from low income families living on the estates near Burntwood school, such as the Aboyne, Henry Prince, Burtop and Copeland House, to enable the children to take part in an activity they might not otherwise be able to.	£	800.00
