1	Community and Partnerships	Jan25 - Dec25	Chantelle's Community Kitchen	N/A	SW15 4ED	The project provides free, homemade, nutritious meals for the whole community to help ease food poverty and isolation. Guest can choose to eat in (10%) or take meals away to heat at home (90%). The kitchen is open every Tuesday and again on a Friday for the Brunch Cafe which provides an opportunity to enjoy a free, light lunch in an informal cafe style setting which enables us to signpost guests to other support services. On average, the Tuesday kitchen provides 270 meals per week and the Friday cafe 40 lunches per week. Later this year, the project is hoping to launch some free cooking classes.	Roehampton	Core Costs	£ 14,430.00
2	Community and Partnerships	Jan25 - Dec25	Earlsfield Foodbank	1167812	SW18 3QG	This grant would support the funding of Earlsfield Foodbank's core operating costs in a time of increased demand due to the cost-of-living crisis for the alleviation of immediate food poverty. The funding would allow the Charity to continue to provide its service to the Earlsfield community, as well as increasing capacity in its team so the service contributes to the long term resilience of the local community, reducing the need for food poverty alleviation overall.	Earlsfield	Core Costs	£ 15,000.00
4	Community and Partnerships	Jan25 - Dec25	Living Truth CIC	06496728	SW11 4QW	The grant will support the organisation to continue delivering its Advice, Advocacy and Support Drop-in 4 days a week and to also to formalise its offer of home visits to housebound and elderly residents. Formalising the home visits offer involves reducing the drop-in service by 1 hour per drop-in day, and using the time/staff resources for outreach work instead.	Battersea Park	Core Costs	£ 8,640.00
5	Community and Partnerships	Jan25 - Dec25	Power2Connect	1204276	SW8 4JS	This project will provide digital devices, data, support to Wandsworth residents to help them tackle the challenges they face in the cost-of-living crisis and to meet increasing requests for help with digital devices, data, and support in relation to the cost-of-living crisis.	Borough-wide	Core Costs	£ 15,000.00
6	Community and Partnerships	Jan25 - Dec25	Regenerate.com	1087134 / 4146490	SW15 6XD	The grant will go towards core costs to allow the Charity to continue running its 'Youth and Community' programme which provides a safe social space for young people aged 11-18. A free, hot and healthy meal is provided every day with the young people often involved in the cooking. The cooking workshops alleviate the pressures of the Cost-Of-Living by providing a hot meal, and also help develop young people's core skills and encourages them to build relationships with the Charity's youth workers and peers.	West Putney	Core Costs	£ 15,000.00
10	Community and Partnerships	Jan25 - Dec25	Tooting Community Kitchen	1191091	CR4 2EE	The grant will go towards core costs to provide a weekly soup kitchen (Weekly Lounge) providing lunch, hot drinks to 50-60 people each week. Guests also access social activities and can play board games, sing, dance and spend time together with the bodies volunteers and enjoy each other's company. Wider support is also available via access to laptops and printers, and 1-2-1 support with admin issues or accessing the internet. There is also a private room for counselling, or for guests to have time alone, or to speak privately with staff.	Tooting Broadway	Core Costs	£ 15,000.00
11	Community and Partnerships	Jan25 - Dec25	Vineyard 61 Church	1162655	SW18 2QQ	The grant will go towards core costs to deliver a weekly Hub which is community space open to all, free to attend, and aimed at those who are elderly, lonely, isolated, unemployed, or otherwise in social/financial need. The Hub is a simple way for people to connect, be in a warm space, have a free lunch and enjoy socialising in a safe and welcoming space. People can also receive help with job applications, accessing benefits and receive emergency food if required. There will also be workshops focussing on life skills and wellbeing to increase peoples financial security, aspiration, independence and overall wellbeing.	Wandsworth Common	Core Costs	£ 12,892.00
