

Grants Sub-Committee, Wandsworth Council
16th October 2023
Summary Recommendations of Round 24 of the Wandsworth Grant Fund

WGF R24 Ref	Time period for which the grant was given	Dept which awarded grant	Name of Organisation	Charity/Company number	Project Name	Brief Summary of project	Primary Theme	Grant awarded
1	December 23- November 24	Community & Partnerships	Baked Bean Charity	1163851	Plane Sight	The project will engage 20 adults with learning disabilities (PLD) and invite them to attend creative theatre workshops over a four month period to generate content and produce a play 'Plane Sight' which will be performed by the PLD to a 'live' audience in a local theatre in November. The Charity will market the opportunity to its service users who are PLD and to wider local networks it has contact with also. With partner-support from Enable, all of the preparatory workshops will take place at Wildwitch Community Centre, the local theatre venue is TBC. Overall, the project aims to develop PLD independence, provide a platform for people with PLD voices to be heard; provides them with new skills, and improves mental health and wellbeing.	Arts & Culture	£ 4,532.00
2	December 23- November 24	Community & Partnerships	Baseless Fabric	1165923 / 09363242	The Elixir of Love Research and Development	This co-creation project will involve Baseless Fabric (a composer and librettist) working with Wandsworth residents to, adapt 'The Elixir of Love' an Opera by Donizetti; transforming the opera into a new, street opera production. Baseless Fabric (BF) team will then perform the new street version of the opera across South London high streets. The first phase: the adaptation and co-creative phase entails 2 co-creation sessions with Roehampton Base to get the creative input from young people, and Katherine Low Settlement Elders Group to benefit from the ideas of older people. The adaptation phase culminates with rehearsals led by BF artists, who will share selected scenes with different groups to gather feedback to shape final edits - working with Roehampton Base, Katherine Low Settlement and Lantern Arts Centre in Merton Stanley Arts in Croydon. Baseless Fabric will also deliver Opera Taster workshops within 4 schools in Wandsworth and deliver 3 performances in older people care home settings. There will be 10 Street performances in total, with 4 of these taking place in Wandsworth. Each Wandsworth performance will involve and foster local partnerships e.g. with libraries, shopping centres, pubs & cafes etc. Overall, the project aims to breakdown many of the barriers people experience to access and engage with the arts, and foster community cohesion and togetherness.	Arts & Culture	£ 9,975.00
3	December 23- November 24	Community & Partnerships	Battersea Arts Centre	282857 / 01569115	BAC Young Artists' Gallery	Battersea Arts Centre (BAC) will commission five young Wandsworth artists and provide the artists 1-2-1 professional support to help them create new artwork that will be exhibited within BAC. The project includes: paying the 5 Artists a commission fee to create new work over a period of 2 month using whichever art form they may work in - paint, clay, photography etc. BAC staff provide support to the young artists around budgeting & managing resources, as well as providing technical production support to help the young artists curate their own exhibition. It is hoped the project provides the next-big-step for the young artists in their future careers. More widely, the exhibition would take place during BAC's 50-year anniversary which they believe, "will help draw in more audiences to BAC, and encourage other artists from local communities to introduce their work to us".	Arts & Culture	£ 10,000.00
4	December 23- November 24	Community & Partnerships	Element Arts	UTC No: 4017448081	Connect	This art-based project aims to promote awareness of climate change topics and develop children and young peoples green skills among children and young people through fun, engaging, creative and educational activities. Element Arts (EAS) will partner with Caius to host an environmental art workshop for older teens where they will produce their own 'poems'. The top poetry entries will be selected to form the basis of professional movement films EAS will create - with the young people providing voiceovers. The films will be launched at Caius House in December. Additionally, the films will be used as part of, WAF 'In Your Living Room' and be available on-line alongside sustainable living guides. EAS will also host 2 days of creative sustainability workshops at Caius House, this time for members of the public to take part in, with the films created with the young people presented. Overall, the project will develop Element Arts relationship with youth centres in the borough; provide a platform for aspiring artists to gain credits to support them in future endeavours; will inspire and educate young people and WAF audiences to have an awareness about climate change giving people the power to act: progressing the arts sector in the borough.	Arts & Culture	£ 9,400.00
5	December 23- November 24	Community & Partnerships	Katherine Low Settlement	1081248 / 3814833	KLS centenary community singing (part of the KLS 100th birthday street party)	KLS project are seeking funds to deliver 'A Community Singing Project' to facilitate a 100+ strong choir to sing at KLS 100th celebratory Street Party, May 18th 2024. The community choir will sing for 20 mins - opening (2pm) and closing (5pm) the street party. The singing project will be led by Xenia Davis (a choir leader) with approx. 20 KLS members participating in 6 pre-event rehearsals, with wider groups (100 people+) also invited - KLS states, there will be different slots during the weeks leading up to the event, so that different groups are able to join.	Arts & Culture	£ 1,720.00

Grants Sub-Committee, Wandsworth Council
16th October 2023
Summary Recommendations of Round 24 of the Wandsworth Grant Fund

7	December 23- November 24	Community & Partnerships	GLF Schools - Floreat School	7551959	Nature Garden	The project will make improvements to the Schools existing Nature Garden and surrounding area to expand provision of outdoor learning classes – not funded through the curriculum – benefiting all pupils, especially those with special educational needs and those who do not have access to green spaces at home or locally - with the school being situated, in an area of Public Open Space Deficit. The school will run 6x 5hr weekend volunteer days - inviting community volunteers, pupils and their families to help install new raised beds with sensory plants and herb beds creating new habitats; volunteers will build new seating around trees to alleviate ground subsidence, a mini Forest Garden greenhouse will also be built to extend the planting season and a canopy will be erected to run Forest School activities in, in all weather conditions. The improved Nature Garden will host 15 days of workshops, with ad hoc "drop-in" sessions open to all pupils. Overall, the project will teach children about plants, soil, composting, water use and biodiverse habitats and concepts of the circular economy (especially upcycling of materials and tool maintenance) and carbon neutrality. The project will grow volunteering and provide local people (young and old) with practical gardening skills as well as enhancing peoples knowledge about biodiversity.	Children (0-12)	£	9,975.00
9	December 23- November 24	Community & Partnerships	Punchdrunk Enrichment	1113741	The Wishing Cupboard	The project adopts an immersive approach to education and aims to support practitioners so they can improve the communication and language skills of children in the early-years foundation stage (EYFS) . The project seeks to mitigate the impact Covid-19 pandemic which Punchdrunk Enrichment (PE) state has disproportionately affected the development of very young children.11 Wandsworth schools have expressed an interest to participate in the project, with 30 EYFS children per school (300 children total) anticipated as benefiting. The project itself, involves a mysterious red cupboard appearing in the classroom containing a 'lost' object inside, such as a stone or a pom-pom. The teacher explains that the object needs help to find its true purpose and only the pupils' can help! e.g. by using their imaginations. To support delivery: a full day of CPD training will be provided for EYFS teachers in January 2024 (2 teachers per school); A toolkit including handmade props and materials is provided for each school - including a day-by-day instruction manual with lesson planning ideas (available for re-use). In total, children in the schools will explore 5 objects that 'appear' in The Wishing Cupboard over a 6 week period (Spring-Term 2024). PE will lead an online evaluation session on completion of the activity.	Children (0-12)	£	5,007.00
12	December 23- November 24	Community & Partnerships	Age UK Wandsworth	1069406 / 03531311	Roehampton Community Shed	Age UK Wandsworth's existing project, 'Roehampton Community Shed' (RCS) will run sessions aimed at increasing and widening membership, to attract more females into its current 90% male cohort and work with local partners to do so e.g. GPs, social prescribers, local community groups. Using donated and recycled materials RCS staff will support 15 local older people (65+) to make bird boxes and planters. Specifically, the project would create 10 bird boxes & 10 small hanging planters to be donated/installed locally; 10 large raised through planters to be placed round Minstead Gardens; 2 garden benches for the community garden at Harbridge Avenue, Alton Estate; flowers will be planted in 10 tree bases and 1 large composter will be made and installed. 5 older people (local residents) will assist with maintaining the newly developed green spaces. Age UK states that the benefits of the project are that older people of both genders make new friends, gain a greater pride in their local environment and feel more connected to the local community - reducing isolation and loneliness and enhancing their wellbeing. The project also seeks to improve the look of local area and increase biodiversity attracting insects and birds into the ward.	Environment & Attractive Neighbourhoods	£	2,577.00
14	December 23- November 24	Community & Partnerships	Mercy Foundation (Emergency Grant Request)	1125766 / 06667600	Replacement Window Shutters	The premises in Falcon Road which the charity leases are owned by the council. However, the charity holds the premises on a full repairing lease. Critical to the security of the premises is a set of metal shutters which protect the shop windows. However, these shutters are very heavy and it is no longer possible to open them manually safely. An inspection by a specialist shutter company has established that the existing shutters are unsafe and must be replaced with electrically operated rolling shutters. Without being able to open the shutters, the premises cannot effectively be used for the activities the charity runs. The unsafe shutters effectively render the premises unusable (as they would be to any other tenant). The English classes have had to move online which significantly reduces their effectiveness. The very popular and effective homework club and music classes have been suspended. In the meantime. Funding to replace the shutters will make the venue safe and fully useable and allowing all activity to fully restart in person.	Raising Aspiration and Potential	£	4,389.00
15	December 23- November 24	Community & Partnerships	Work and Play Scrapstore	1041641 / 02234306	Work & Play - Infrared Panels + LED Project	The project will be delivered by Work & Play Scrapstore (WPS) who will partner with CREW Energy to: deliver workshops and provide information about installing Infra-red (IR) heaters and LED lighting as a cheaper alternative to gas. WPS state IR as being energy-efficient panels that allow for zonal heating and can warm up objects, individuals and buildings in seconds, lowering emissions, and cutting energy bills. The project will showcase alternative heating solutions as an option for residents and organisations in light of both climate change and the recent energy crisis. Work and Play will arrange workshops with its own staff, members and volunteers leading activity, and CREW staff (and the potential installers) will be on hand to answer any technical queries residents may have.	Environment & Attractive Neighbourhoods	£	10,000.00

Grants Sub-Committee, Wandsworth Council
16th October 2023
Summary Recommendations of Round 24 of the Wandsworth Grant Fund

17	December 23- November 24	Community & Partnerships	Bags of Taste	9160945	Bags of Taste Mentored home cooking courses	The project aims to change the cooking behaviour and eating habits, of 120 families in Wandsworth whose children are at risk of obesity by, providing structured mentor-led support to the families within their own homes. The programme aims to recruit families (working with partners) and will run 4 courses in January, March, May and July (each course being for 30 families). The programme begins with a starter pack being delivered direct to the door of families homes, including free ingredients for 7 meals & step-by-step recipe's, basic cooking equipment and eating guides. Families are also invited to join WhatsApp groups to access on-going support from an expert mentor and benefit from peer-support, with 1-2-1 phone mentoring also offered. The aim is for the WhatsApp groups to be fun and interactive: the Mentors share specially created content and videos; and the families (with their children) cook 3 new recipes over 3 weeks. At the end, families receive a certificate, a recipe pack and are invited to join-up to a long-term WhatsApp group to access continued support & info i.e. 80+ budget recipes. The project aims to sustain family behavioural changes by offering ongoing tools and consistent (non-stop) support to people direct in their homes.	Health and Wellbeing	£	10,000.00
18	December 23- November 24	Community & Partnerships	Doddington and Rollo Community Association	1093601 /01710313	DCRA Community Kitchen	This project will support the renovation and upgrading of Doddington and Rollo Community Association (DRCA) kitchen facilities at Cromwell House. Thus, allowing 19+ charities and voluntary sector organisations that form the Cromwell House Community Hub to cook meals in a safe and hygienic environment for local people to consume food at, the Cromwell House Community Centre. The renovation project will enable DRCA to replace the small kitchenette and replace it with a well-equipped kitchen. The project is being supported by Battersea Power Station with a sizeable contribution in place from this partnership agency to support the project. Having a fully equipped, new kitchen would benefit a vast number of local, vulnerable residents facing hardship at the present time who will enjoy food that is produced on-site, and being in a warm space together.	Health and Wellbeing	£	9,916.00
19	December 23- November 24	Community & Partnerships	Dolphin Swimming Club	N/A	Developing Dolphins	Dolphin Swimming Club (DSC) are seeking to expand its current provision at Latchmere Leisure Centre to invite children with profound special educational needs and disabilities (SEND) from their waiting list to attend and learn to swim; enabling the children with SEND to participate in sporting activities they would otherwise be unable to do, to be more active: helping to reduce isolation and feelings of loneliness for the children. In addition: DSC will deliver a new collaborative annual swimming gala event starting in 2023-24 working with local partners that also work with children with SEND. A trial period with Enable Leisure and Sports Services in 2022 to fund longer sessions at Latchmere enabled the club to enrol 15 new club members. Within this project: DSC will enhance staffing and volunteer capacity so they can extend their regular Friday evening sessions that run 40 times a year (during school term-time) and invite additional SEND children along. DSC state that 60% of their membership (70+ children, aged 5-16) are from Black, Asian and Minority Ethnic groups (BAME), where nationally the proportion of regular swimmers from BAME groups is a reported 2%. To support the above activity, the club will also expand its transport pick-up service offer, in particular Tooting Bec & Tooting Broadway where main bus pickups occur.	Health and Wellbeing	£	6,710.00
21	December 23- November 24	Community & Partnerships	Power2Connect	12633949	Wandsworth Digital Champions	The project aims to upskill 10 volunteers or staff members already providing frontline support in Wandsworth, transforming them into Wandsworth Digital Champions. Specifically, 10 frontline volunteers or staff within organisations who are members of the 'Wandsworth Digital Network will undertake 'Digital Unite Training' which comprises bite-size CPD Certified on-line e-learning modules. The 'Digital Champions' will use their new skills to support and mentor 100+ Wandsworth residents via their organisations: reaching vulnerable groups including older people, refugee and asylum seekers, the unemployed, low-income individuals, and those with disabilities. In addition, Power2Connect will collaborate with social prescribers, Wandsworth Care Alliance, and WCEN to ensure they are aware of the availability of Digital Champions, enabling a seamless and accessible support system for the residents.	Health and Wellbeing	£	9,995.00
23	December 23- November 24	Community & Partnerships	Sport4Health	5933331	Badminton and wellbeing sessions for older people in Wandsworth	The monies would enable Sport4Health (S4H) to restart and expand a badminton project for older people, aged 65+ (reaching 25 older people). The activity would start in October running for 40 weeks. Each week, 3.5 hours of professionally delivered sport (badminton) alongside a new offer and wellbeing exercises (body strengthening and stretching) would be provided, at Battersea Sports Centre (140 hours in total). S4H state that the potential participants have been significantly affected by Covid – either directly through contracting the virus; deterioration of physical health through breaking exercise habits; or by suffering from ongoing mental ill health. The project will benefit the older people in some of the following ways - by reducing older people's isolation; improving their physical health; improving their mental health (through having wider social networks, learning new skills and increasing self-confidence); reducing the likelihood of accidents and falls as the older people attain better physical condition and co-ordination.	Health and Wellbeing	£	9,060.00

Grants Sub-Committee, Wandsworth Council
16th October 2023
Summary Recommendations of Round 24 of the Wandsworth Grant Fund

24	December 23- November 24	Community & Partnerships	STORM Family Centre	1140714 / 06726435	Boxercise Classes	STORM will run a Keep-fit project offering weekly 1hr Boxercise and nutritional classes for 40 adult women (aged 18+), over 6 months. Working with partners (i.e. Wandsworth Early Help Team) STORM aim to attract women who are experiencing poor physical and/or mental wellbeing; and aim to recruit women who are coping with low self-esteem, who have gone through trauma from domestic violence or due to other traumatic experiences. The project also aims build community cohesion amongst women, youth and young people.	Health and Wellbeing	£	7,980.00
26	December 23- November 24	Community & Partnerships	Tara Arts Theatre	295547 / 02059664	Meet Your Neighbours	The project aims to tackle loneliness and isolation, and increase connections within the local community by offering 10 weekly art sessions (lasting 2 hrs) for up to 30 people, onsite at Tara Theatre Garratt Lane. Tara Arts will deliver sessions providing accessible arts and crafts activities, drama-based games, as well as board games and adult colouring books. Tara Arts state that, the activities selected have been proven to help people with developing their confidence and working with others which help reduce feelings of loneliness and isolation. Tara Arts will work with partners to reach isolated people and recruit local residents to benefit from the sessions e.g. Wandsworth Age UK; Talk Wandsworth; Wandsworth Older People's Community Mental Health Team at Springfield Hospital; local GP practices including Earlsfield Practice, Brocklebank Practice, Wandsworth Medical Centre; Earlsfield Together; Islamic Culture and Education Centre; St Andrews Church; Balham Mandir.	Health and Wellbeing	£	5,000.00
27	December 23- November 24	Community & Partnerships	Vineyard 61 Church	1162655	The Hub - Falcon Road	The project will offer a new HUB for 25+ older people to attend at Tempo House, Falcon Road starting in January 2024. The 'free' weekly HUB (every Monday) would be open for three hours offering tea & coffee and activities including - knitting, bingo, crafts & card making, puzzles and games, job searching, providing laptops for attendees to use if they don't own one or are not confident using the internet alone, eating a provided lunch together - and would be a warm space in winter. The Church would finalise the lease for the building during October -December 2023, prepare the space and market the Hub over November and December 2023; with a view to open January 2024. Overall, the project aims to benefit older people by reducing loneliness, increasing confidence, increasing mental wellbeing, providing friendship, offering a listening ear, assisting unemployed older people with finding job; and more widely towards building a sense of community in the Falcon Road area.	Health and Wellbeing	£	5,922.00
28	December 23- November 24	Community & Partnerships	4th Southfields Guides	N/A	Camp and activity equipment storage shed and secure fencing	4th Southfields Guides recently changed the site where all of its weekly girlguide member meetings are held from, Lindon Lodge School to St Pauls Community Centre. The project will enable the unit to operate effectively on the new site. Specifically, the project will purchase and install a new top quality, secure shed and shelving for the storage of the units camping and activity equipment. A fencing and a locked gate would also be installed on the new premises to shield the shed from view from the road - all activity would be completed by February 2024. The project would benefit 40+ girls (aged 10-14 who live in and around Southfields) who would be able to participate in camping trips and gain outdoor skills and also acquire indoor skills and participate in STEM activities. More widely, having new premises that are fully equipped can also help attract and sustain new members from the St Pauls area into the Unit. A key benefit and requirement for the project, as stated by the applicant, is that "Outdoor adventurous activities are vital to assist girls to catch up on missed experiences and opportunities over the years lost to Covid -19".	Youth (13-18)	£	6,704.00
31	December 23- November 24	Community & Partnerships	Wandsworth, Chelsea and Fulham Sea Cadets	303283	Renovate / Educate	The Sea Cadets will deliver a renovation and education project at Putney Embankment whereby one of its vessels engine is upgraded to be as fuel-efficient as possible - lowering their carbon footprint. 37 cadets would participate in the fitting, service, maintenance, and operation of the engine, gaining hands-on practical experience, boat handling skills and going towards qualifications (DoE, BTECs, as well as boat-specific and internationally-recognised qualifications). Education sessions would take place weekly on Tuesday and Friday evenings 7-9pm on Sundays 10-4pm, 50 weeks a year. The project would help build confidence and communication skills of cadets, promote their physical and mental well-being and enhance their future employability prospects.	Youth (13-18)	£	6,500.00
32	December 23- November 24	Community & Partnerships	Wandsworth Mediation Service	1102464 / 4778659	Communication & Conflict Skills workshops for Secondary School Pupils	Wandsworth Mediation Service (WMS) project will act as an early intervention tool, supporting approx. 32 young people (aged 11-15) who have been identified as being at risk of exclusion or facing behavioural challenges, within the following schools - Saint Cecilia's, Harris Battersea and, Graveney School in Tooting. WMS will provide six, 1.5-hour workshops to equip the young people with positive communication skills to help them manage conflict positively. WMS state that they will cap workshop size to a maximum of 8 pupils, as smaller group sizes are critical for fostering honesty, trust, rapport, and growth among the participants. The themes of the six workshops are:- 1) An introduction to conflict; 2) Points of view, communication, and the role of assumptions in conflict; 3) Empathy and Personal Triggers; 4) Feelings, assertiveness, and I-statements; 5) body language, tone of voice and personal modes of conflict; 6) consolidation and recap, practice - celebration of their achievements. The project aims to aid the children's personal growth, fostering self-esteem, resilience, emotional literacy and intelligence; promoting health relationships, supporting children to reach their full potential and be productive members of their communities. WSM estimate indirect beneficiaries at 960+ people (using a multiplier of 30).	Youth (13-18)	£	10,000.00

Grants Sub-Committee, Wandsworth Council
16th October 2023
Summary Recommendations of Round 24 of the Wandsworth Grant Fund

34	December 23- November 24	Community & Partnerships	Carney's Community	1150650 / 07923708	Youth Club meals	Carney's will replace their cooker and extractor fan in the kitchen. They cook up to 120 free meals every week for the young people they support, including meals that are taken for the rest of the family at home. They state that many of the young people's families experience fuel poverty and food insecurity and the provision of a regular meal and warm space helps relieve the pressure they face. Carney's say they have seen an increase in the number of young people asking for second helpings, and increase in numbers accessing takeaway boxes for food to be taken home.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	5,000.00
35	December 23- November 24	Community & Partnerships	CDARS	1028663 / 02634372	Community Kitchen	CDARS will purchase two fridges for their Community Kitchen to meet the growing demand they report for: homecooked meals from their most vulnerable service users who are most impacted by the cost-of-living. CDARS aim to buy food items in bulk where possible to reduce costs. They say that the fridges would enable them to buy additional fresh items (fresh vegetables and meat) and keep them safely refrigerated.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	1,383.00
36	December 23- November 24	Community & Partnerships	DEVAS	1129419 / 06720799	Hot Meal Service	DEVAS will replace their range cooker and acquire a commercial dishwasher. They say that their current cooker is very old with parts not working and they will benefit from having an efficient commercial dishwasher. They say an essential part of their service is providing hot meals to approx. 50 families each week, and during holiday clubs when they feed approx. 100 children a cooked meal daily. DEVAs say they also run cooking lessons to help teach participants and parents how to cook simple, healthy low cost meals with flavours from around the world which the items will support.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	4,062.00
37	December 23- November 24	Community & Partnerships	JAGS Foundation	07305010	Sunday Best Food Delivery Service	JAGS provide hot meals and a food delivery service to reduce food poverty and nutrition deficiency. They are seeking to acquire a commercial fridge/freezer and a commercial rice cooker. The large rice cooker will enable them to cook larger quantities of rice for their weekly Sunday delivery service and, school holiday periods to ensure children who are entitled to free school meals do not go without a meal for the day. A fridge/freezer will allow them to buy and store groceries and food stuffs in bulk without the need to share fridge space with other organisations - which they presently have to do.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	4,602.00
38	December 23- November 24	Community & Partnerships	Katherine Low Settlement	1081247	Replacement kitchen equipment	KLS will upgrade their washing machine and dishwasher as both are coming to the end of their lifespan. KLS state they are having work carried out to fit out a new kitchen this year and the items will enable KLS to run increased provision of lunch clubs for elders and after-school meals for children from refugee backgrounds. They say, a faster dishwasher will be more efficient and a faster washing machine and ability to dry will mean they can provide a service to members who frequently have soiled clothing which needs to be cleaned quickly.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	2,189.00
40	December 23- November 24	Community & Partnerships	Mushkil Aasaan	1080666 / 3810948	New Kitchen equipment	Mushkil Aasaan (MA) aims to provide regular healthy food/meals to vulnerable residents. They are seeking to purchase a 6 burner range cooker, a commercial Bain Marie and a Roti Matic. They say, the items will help them meet a current demand and provide healthy home cooked meals for older men living alone - they have previously been unable to fulfil demand due to lack of resources. The project delivered with the items bought will reduce social isolation through shared meals and related activities More widely, MA will be able to reduce costs compared to ordering food from commercial outlets and/so accommodate more people.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	5,000.00
42	December 23- November 24	Community & Partnerships	PCC of St Michael's with St Stephen's Church	1146780	Replacement of kitchen equipment	PCC of St Michael's with St Stephen's Church run a number of activities at either St. Michael's Church or Brathway Hall - including two community lunches, soup making for older people's 'Sparkle' sessions, Ukraine Social Supper, Warm Spaces, and Glass Door Homeless shelter. They are seeking to replace a broken down commercial dishwasher at Brathway hall and purchases a new freezer, as they say they are currently using donated second hand ones in need of replacement . During the winter months, we expect to provide a minimum of 220 meals each week of lonely, disadvantaged and vulnerable residents.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	2,518.00
43	December 23- November 24	Community & Partnerships	Positive Network Community	1101803 / 08149526	Kitchen flooring and Fridge Freezer	Positive Community Network are seeking to acquire and install kitchen flooring and a fridge freezer. The items will help the Network scale up its activities/service offer and play a significant role in supporting vulnerable residents during the Cost-of-Living crisis - and help increase food safety in line with the recent Environmental Health Inspection report.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	1,699.00
44	December 23- November 24	Community & Partnerships	Rackets Cubed	1170744	Roehampton Community Box	Rackets Cubed are seeking to purchase an additional display fridge as they say they currently do not have enough space to store all the food they require, to support their 170 customers. Also, presently they are forced to throw out spoil fruit and vegetables which end up in landfill. Having a new fridge will enable them to increase stock, store more fresh fruit and vegetables and provide them with further space for chilled foods.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	1,068.00
45	December 23- November 24	Community & Partnerships	Regenerate	1087134 / 4146490	Replacement kitchen equipment	Regenerate are seeking a new fridge and oven as their existing items do not function properly. The items will improve their food delivery which they run twice a week for their youth club, and enhance their 'Feel Good Friday' project, they will also enhance their cooking workshop which runs 4 times a week for young people - typically likely to be affected by food poverty, and benefit refugees from the Putney Hotel who cook their own meals on-site at Regenerate. Regenerate say they typically provide meals for 15+ people at once and currently cannot effectively cater for everyone at the same time.	Support around the Cost of Living Crisis and Recovering from the impact of COVID-19	£	1,478.00

Grants Sub-Committee, Wandsworth Council
16th October 2023
Summary Recommendations of Round 24 of the Wandsworth Grant Fund

48	December 23- November 24	Community & Partnerships	Sound Minds	1079521	Replacement of kitchen equipment	Sound Minds are seeking to purchase a new cooker and fridge/freezer. They say, their current cooker is old with parts not working, and current fridge/freezer is broken. Having new items, Regenerate say would enable them to cook more efficiently and safely, they would be able to provide a quicker service with better food, and newer equipment would be more energy efficient. Presently, they provide a meal for about 26 people each week across two drop-ins, the last quarter serving 320 meals. If they did not provide free food to their members Regenerate say, people are likely to go hungrier as people are cutting back on spending money on food as benefits are not increasing anywhere near as quickly as the cost of living.	Support around the Cost of Living Crisis and Recovering from the impact of COVID- 19	£	1,987.00
51	December 23- November 24	Community & Partnerships	The Furzedown Project	1076087 / 3662469	Kitchen Equipment	The Furzedown Project are seeking to replace their current fridge and dishwasher which were installed 17 years ago and no longer working effectively. They say, replacing the fridge will enable them to provide healthy refreshments for their members (over 55s) and reduce food wastage with less items thrown away before the sell-by date. Also, they say, having a new dishwasher will mean that volunteers no longer have to spend time washing up by hand affording them more time with the members benefitting vulnerable older people.	Support around the Cost of Living Crisis and Recovering from the impact of COVID- 19	£	1,293.00
