Fees

I, the applicant, agree to enter into a licence with the council for the execution of the street works and I agree to comply with all conditions and notes contained therein. I will reinstate to the specification contained within these notes and will maintain the reinstatement for a minimum period of 24/36 months following completion. Please note that if your reinstatement is found not to have been reinstated to the Specification for Reinstatement of Openings in the Highway at any time then it is agreed that the warranty period covering these works is deemed not to have commenced. Costs associated with the rectification of any inadequate reinstatements will be the responsibility of the applicant.

The cost of this license is **£905.00** for the first two metres of excavation. Any excavation greater than two metres attracts an additional fee of **£139** per metre.

Other Charges

Under Section 74 of NRSWA charges for works overrunning the proposed end date are made as follows:

CATEGORY 3 + 4 F/WAY	£250	£250

Further possible charges will be outlined on your approved licence when it is sent to you.

Please note: If your licence needs to be amended or varied an administration fee of **£65** will apply. Should you subsequently cancel your application once it has been paid for and processed a 50% refund can be applied for.

Payment:

Payment can made online by credit or debit card. Please visit www.wandsworth.gov.uk/payments when directed to and selecting "Private Streetworks Licence".

Conditions of Licence

The London Borough of Wandsworth being the Street Authority hereby grant to the party named on the application form (hereinafter called "the Licensee") a Licence under Section 50 of the New Roads and Street Works Act 1991 to have access to the highway and break open, excavate, place and leave apparatus (hereinafter called "the Apparatus") in the Highway in the positions set out on the

plans provided and to maintain, repair and reinstate the Highway for those purposes upon the terms and subject to the conditions which accompany this licence. The Licensee hereby accepts the Licence upon and subject to the said terms conditions and provisions.

This licence is granted to the owner of apparatus and his Successors in Title and where he proposes to part with his interest in the apparatus, he shall before doing so give at least 6 weeks written notice to the London Borough of Wandsworth of the intention to abandon the apparatus or transfer the licence stating to whom the benefit of the licence is to be transferred, and also give written Notice to the London Borough of Wandsworth of the date of the transfer.

The Licensee shall:

- a) Conduct all the relevant works in accordance with the requirements of the New Roads and Street Works Act 1991 and Traffic Management Act 2004, and their associated Secondary Legislation and Codes of Practice, together with any other conditions imposed by the London Borough of Wandsworth, in the relevant licence.
 - b) Indemnify the London Borough of Wandsworth against any claim in respect of injury, damage or loss arising out of:
 - i) the placing or presence in the street or apparatus to which the licence relates, or
 - ii) the execution by any person of any works authorised by the licence:
- and the licensee shall indemnify the London Borough of Wandsworth against any claim in respect of injury, damage or loss arising out of the execution by the London Borough of Wandsworth or the licensee of any works involving the removal or alternation of the said apparatus
- c) Give at least 6 weeks written Notice to the London Borough of Wandsworth of his intention to cease using or abandon the apparatus.

The Licensee shall pay the London Borough of Wandsworth in connection with the grant of the licence the sum of **£905.00** plus an additional fee of **£139.00** per metre for any excavation over 2 metres. It normally takes four weeks to issue a street works licence from the date of payment.

The Licensee is given the authority to carry out excavation works or to remove the surface of either the carriageway or footway. The works are to be maintained in a safe condition at all times, adequately monitored, with appropriate signing, lighting and guarding in accordance with the Safety at Street Works and Road Works: A Code of Practice. The licensee shall take all steps as may be reasonably practicable to ensure the safety and convenience of persons using the highway during the execution of the works (having regard, in particular, to the needs of the people with a physical disability).

On completion of the works, the Licensee must backfill the excavation with approved material and reinstate the surface as specified in the Specification for Reinstatement of Openings in the Highway. All rubbish, surplus materials and equipment must also be removed from the public highway before leaving the site. The liability of the Licensee for the maintenance and safety of the works continues until the expiry of the maintenance period of 2 years after acceptance of the **permanent** reinstatement for excavations up to 1.5m deep and 3 years for excavations greater than 1.5m in depth.

In the event of the Licensee not making good any damage to the highway the Council shall make good any damage to the highway and recover the expenses reasonably incurred from the licensee

The Council upon giving the requisite notice may withdraw the license by giving notice in writing to the Licensee.

The Licensee shall not assign the License without first obtaining the consent in writing of the Council, such consent not to be unreasonably refused.

The Council may in the event of the expiration of the License or in its withdrawal or surrender:

- i. Remove any apparatus and reinstate the highway and recover the expenses reasonably incurred from the Licensee.
- ii. Allow the Licensee to remove any apparatus or alter it in such manner as the Council may require within such reasonable time as the Council may specify and reinstate the highway to the Council's satisfaction at no cost to the Council.

Any licence issued under this procedure by the London Borough of Wandsworth must not be construed as conferring any right for the applicant to make any connection to a sewer, drain, pipe, cable or other apparatus.

The Council may attach to a Streetworks licence conditions such as they consider appropriate

- a. In the interests of safety
- b. To minimise inconvenience to persons using the street (having regard, in particular, to the needs of people with a disability) or
- c. To protect the structure of the street and integrity of apparatus in it.

Conditions attached to your licence will be specified when the licence is sent to you following processing.

DECLARATION BY OWNER OF APPARATUS:

I confirm that the above details are correct and acknowledge that the works referred to must be conducted in accordance with the requirements of the New Roads and Street Works Act 1991 and the Traffic Management Act 2004, and associated legislation and codes of practice, together with any other conditions imposed by the London Borough of Wandsworth, on the relevant licence.

I also acknowledge the statutory need for me to pay any other prescribed fees which will be imposed by the London Borough of Wandsworth including any defect inspection fees, Fixed Penalty Notices, or other prescribed charges, and the cost of any necessary remedial works conducted by the London Borough of Wandsworth during the guarantee period.

I also acknowledge that the licence is granted on the condition that I will indemnify the London Borough of Wandsworth against any claim in respect of injury, damage or loss arising out of:

- (a) The placing or presence in the street of apparatus to which the licence relates, or
- (b) The execution by any person of any works authorised by the licence.

I also acknowledge that I have read and understand the Notes and the conditions.

Note: A street works licence does NOT dispense the licensee from obtaining any other consent, licence or permission which may be required; and it does not authorise the installation of apparatus for the use of which the licence of the Secretary of State is required, unless and until that licence has been granted.
