PROJECT NEWSLETTER

December 2019

ISSUE NUMBER 6

Wates Residential is working in partnership with London Borough of Wandsworth to deliver 71 much needed homes within the Borough, leaving a lasting legacy for the entire community and supporting our vision that

“everyone deserves a great place to live!”

Our progress to date

Wates have now completed the enabling works to the site:

- Reinstated the hoarding line to Gaitskell Court car park.
- Removal of all ground obstructions. These were predominately old concrete footings and drainage from the municipal laundry that occupied the site prior to the 2nd World War.
- Carried out Unexploded Ordinance Surveys to all pile locations.
- Installed a pile mat ready for the piling rig to work from.

Our upcoming works

On the 6th of January we will be taking delivery of the Piling Rig and will commence the installation of the piles. This will take approximately 5 weeks to complete.
