

Lot 1a SHUTTLEWORTH ROAD

PROJECT NEWSLETTER

February 2020

ISSUE NUMBER 7

Wates Residential is working in partnership with London Borough of Wandsworth to deliver 71 much needed homes within the Borough, leaving a lasting legacy for the entire community and supporting our vision that

“everyone deserves a great place to live!”

Our progress to date

January has been a productive start to the year for the site.

- We have now completed the CFA piling works. This consisted of drilling and casting 266 concrete piles for the building and Tower Crane.
- We have cast the base for the tower crane.
- And have started the foundations to the new Substation in the South West corner of the site.

Our upcoming works

- On the 10th of February we will be taking delivery of the next piling rig that will work on the Rail Embankment.
- On the 11th and 12th we will be erecting the Tower Crane.
- **Please be aware that there will be large vehicles visiting the site to bring in these deliveries.**
