Dear Resident

**Kersfield Estate Development Public Consultation - October**

On the 17th July 2018 the Council held a drop-in session aimed at the Council's estate residents to outline proposals it was developing to build new homes on several areas on the Kersfield Estate. The event was intended to solicit initial responses in respect to the Council's development and improvement plans so these could be taken into account as initial designs were worked up further.

The Council is now in a position where it can present its more developed plans for new homes and related environmental improvements on the Kersfield Estate for further review and comment prior to a planning application being submitted. Therefore, we would like to invite you to this drop-in event to present the current proposals and to ascertain any additional feedback you may wish to provide before a planning application is submitted.

The event details are as follows:

**Date: Wednesday 3<sup>rd</sup> October 2018**

**Time: 4pm-7:30pm**

**Location: Holy Trinity Church Hall, Beaumont Road, London, SW19 6RL (please see location map overleaf – approx. 10-minute walk from the estate). The church hall is located upstairs in the main church building.**

The Council are committed to working with local neighbours and your feedback will be carefully considered by the Council and its appointed consultants.

I look forward to meeting with you. However, if you are not able to attend the event and would like to see a copy of what is proposed, or if you have any further comments on the proposals, please contact [developmentteam@richmondandwandsworth.gov.uk](mailto:developmentteam@richmondandwandsworth.gov.uk).

Yours sincerely,
