- Alert: lets you know the level of coronavirus risk in your postcode district.
- Check-in: get alerted if you've visited a venue where you may have come into contact with coronavirus, using a simple QR code scanner. No more form filling.
- Symptoms: check if you have coronavirus symptoms & see if you need to order a test.
- Test: helps you order a test if you need to.
- Isolate: keep track of your self-isolation countdown and access relevant advice.
