Date: 4th February 2021

Dear Resident,

Update on council-led development sites – 178-204 Stroud Crescent, Putney Vale

Following a number of consultation and engagement sessions with local stakeholders, the Council is now preparing to submit a planning application for the new development at the rear of 178-204 Stroud Crescent, Putney Vale estate. Ahead of submitting the designs, we would like to invite you to an online consultation event detailing the proposals. It will detail the key features and design decisions that have been made as a result of incorporating your feedback over the course of the study to date.

There will be drawings, plans and reports on topics including, but not limited to:

- Timeline of the development to date
- What the new development will look like
- Landscaping improvements
- The number and make up of new homes
- What we have done to your respond to your past feedback

The consultation event will be held online via Zoom, a link will be made available on our website, and will be held on 23rd February 2021. In conjunction with what will be available to view on our website and during the event, we will send you a further letter containing a printed copy of the brochure that will form the slides in the presentation and details of the link to the Zoom event.

Yours Faithfully,

Mark Eastmond
Development Project Manager
Housing Strategy and Development
