COVID-19 Local Outbreak Management Plan London Borough of Wandsworth May 2021	ACHOSC	14/06/2021	28/06/2021	The purpose of the Wandsworth COVID-19 Local Outbreak Management Plan (LOMP) is to set out how we respond to outbreaks of COVID-19 in the borough, including new emerging variants, and to coordinate efforts across all stakeholders to protect and keep residents safe. This plan is a collaborative effort developed locally across the council describing our interface with various levels of the national NHS Test and Trace Service, with the regional service led by Public Health England's London Coronavirus Response Cell (LCRC). It also details our governance arrangements with roles and responsibilities for stakeholder engagement. Communication and engagement with residents and stakeholders will be key to the successful delivery of our plan.			Adult Social care & Public Health
