### Employment opportunities

We are also working in collaboration with Work Match Wandsworth as part of fulfilling our Social Value objectives. Work Match aims to ensure residents have access to new and existing jobs that are being created in the Wandsworth borough. Work Match offers employment support, advice and guidance and training for Wandsworth residents.

Please contact Work Match using the link <https://www.wandsworthworkmatch.org>

### Social Value

We've been engaging in mock interviews with students from Southfield Academy and partnered with Wandsworth 'BEST' to provide two students with work experience as part of our social value commitments. There will be further opportunities as we progress with the project and look forward to continuing to engage with the wider Putney Vale Community.
