Putney Vale Estate

Summer 2024

Welcome to our Summer edition of the Putney Vale estate newsletter.

Kind & Company are working in partnership with Wandsworth Council to deliver 14 new council homes at the Putney Vale Estate to leave a lasting legacy for the entire community. Compact sites like this form a vital part of the council's ambitious Homes for Wandsworth programme, which will deliver 1,000 new council homes.

Progress Update

Site Hoarding and Pedestrian entrance

Completion of site hoarding and establishing a pedestrian entrance is an important step in any construction project. This helps improve safety and accessibility while keeping the site secure.

On Site

It's exciting to see the completion of the North boundary retaining wall as progression goes on.

Works in the next Quarter/Period

Works to the West boundary retaining wall will start along with the continuation of the main buildings concrete core as well as upcoming works on the 1st floor slab and upper floors. Residents can expect to see the building's structure taking shape more visibly in the coming weeks. As a result, there will be an increase in concrete delivery lorries as well as a crane on site on a weekly basis.

Social Value

We've been engaging in mock interviews with students from Southfield Academy and partnered with Wandsworth 'BEST' to provide two students with work experience as part of our social value commitments.

School Event

Work Experience

There will be further opportunities as we progress with the project and Look forward to continuing to engage with the wider Putney Vale Community.

Employment opportunities

We are also working in collaboration with Work Match Wandsworth as part of fulfilling our Social Value objectives. Work Match aims to ensure residents have access to new and existing jobs that are being created in the Wandsworth borough. Work Match offers employment support, advice and guidance and training for Wandsworth residents.
