

Residents Newsletter

Keeping you informed and updated of the project works at the Platt Estate.

Homes for Wandsworth

Riona Woodman is our Resident & Community Liaison Manager supporting local residents whilst interfacing with the site team.

Email : Residentengagement@helix.limited
Mobile : 07513 834455

Ivan Blair is our Site Manager and has overall responsibility for the day to day construction works on site.

Email : ivanblair@helix.limited
Mobile : 07542 321286

Community Engagement

We are currently engaged with Regenerate Rise, the charity based within The Platt Christian Centre, next door to the Platt South site. We have been volunteering to help with activities for the elderly and isolated residents within Putney & further afield in Wandsworth and we are very much looking forward to helping with their upcoming Christmas Lunch.

If you have any questions or concerns regarding building works, please do make contact with Riona as she will be the main point of contact throughout the project.

Completed Works

Works are progressing well. At the North site we have reduced the levels, with the ground beams and drainage connections now complete. At the South site, the tower crane has been erected allowing us to complete the ground floor slab and the columns from the ground to first floors.

Planned Works

In the new year at the North site we will complete the ground floor slab and start the brickwork to the first floor. At the South site the reinforced concrete frame works will continue to progress to the roof level.

Considerate Constructor Scheme

Helix are proud to be associated with the CCS and we strive to adhere to the code of considerate practice. We have just received our score for our first inspection and are proud to have achieved 'Excellent' overall.

Health and Safety

We kindly request you respect our Health and Safety site requirements and ask that you do not enter into the site and take extra care with additional site traffic flow and machinery.

Christmas Closure

Site will be closed from 2pm Friday 20th December and will re-open on 6th January 2025. During this period, in an emergency related to the site, please call Prime Secure on 0345 88 88 333.

We thank you for your understanding and patience during the course of this project and wish you all a very Merry Christmas and a Happy New Year.
