Dear Resident,

Lennox Estate development proposals

We'd like to thank all of the residents who attended the drop-in event on 13th June and those who have provided feedback and comments both in-person and using our dedicated website. Your local knowledge, experiences and feedback are extremely important to us and will help to shape the early design principles for new homes on the estate.

Since the drop-in, we've also produced some Frequently Asked Questions, which respond to many of the questions we have been asked by residents so far. These FAQs can be found on the Council's website www.wandsworth.gov.uk/newhomes, clicking on the 'where we are building homes' tab and then 'Lennox Estate, SW15'. We will regularly update the FAQs as proposals take shape and further resident drop-in events are arranged.

The design team is now working on bringing forward some initial plans for new homes, which we hope to be able to show you later in the Autumn. Another drop-in event will be arranged at that time and we will ensure that residents are provided with plenty of notice prior to the event.

In the meantime, we would welcome residents' patience as we begin to bring together all of information we have been gathering from residents, as well as other surveys and impact assessments that we are arranging and have completed to date. All of this is part of the process of informing and shaping the initial development proposals.

If you have any questions about the development proposals or our engagement with residents, please don't hesitate to get in touch, either via email to developmentteam@wandsworth.gov.uk or on the telephone 020 8871 8248.

Yours faithfully

Jason Walker-Lucy
Development Officer – Regeneration & Development
