Dear Resident,

Re. Salter House Garages development proposals – trial pit survey from 22nd April 2025.

I am writing to inform you that the Council has commissioned ground investigation surveys to determine the depth of the Salter House foundations, commencing 22nd April 2025 and the work is estimated to last one working day.

This site survey will involve excavation by hand in order to dig one trial pit at the base of the east flank of the Salter House wall. The area where the trial hole will be dug is shown highlighted in red on the plan overleaf. You will note from the plan that the location is adjacent to the Salter House pram stores and there may be limited access to the stores during this work. The surveyors will keep any disruption and disturbance to a minimum and work will only be undertaken between the hours of 8am and 5pm.

All areas where digging is taking place will re-instated the same day and will be made safe for residents to access again at the earliest opportunity.

Whilst it is not anticipated that any issues will arise during the survey, please do not hesitate to contact the Development Team either by email to developmentteam@wandsworth.gov.uk or on 020 8871 7149 should any matters arise.

In the meantime, if you have any queries concerning the content of this letter please don't hesitate to contact me and if you require any further details regarding the development proposals, please visit our dedicated webpages at www.wandsworth.gov.uk/newhomes and follow the 'Salter House Garages, Streatham Park Estate, SW16' link under the 'where we are building homes' heading.

Dear Resident,

Re. Salter House Garages development proposals – trial pit survey from 22nd April 2025.

I am writing to inform you that the Council has commissioned ground investigation surveys to determine the depth of the Salter House foundations, commencing 22nd April 2025 and the work is estimated to last one working day.

This site survey will involve excavation by hand in order to dig one trial pit at the base of the east flank of the Salter House wall. The area where the trial hole will be dug is shown highlighted in red on the plan overleaf. You will note from the plan that the location is adjacent to the Salter House pram stores and there may be limited access to the stores during this work. The surveyors will keep any disruption and disturbance to a minimum and work will only be undertaken between the hours of 8am and 5pm.

All areas where digging is taking place will re-instated the same day and will be made safe for residents to access again at the earliest opportunity.

Whilst it is not anticipated that any issues will arise during the survey, please do not hesitate to contact the Development Team either by email to developmentteam@wandsworth.gov.uk or on 020 8871 7149 should any matters arise.

In the meantime, if you have any queries concerning the content of this letter please don't hesitate to contact me and if you require any further details regarding the development proposals, please visit our dedicated webpages at www.wandsworth.gov.uk/newhomes and follow the 'Salter House Garages, Streatham Park Estate, SW16' link under the 'where we are building homes' heading.
