

Indicative CGI of Patmore Street project

SITE UPDATE | March 2024

We are pleased to issue the newsletter for March 2024. We were delighted to celebrate our 'Topping Out' ceremony at Patmore Street last month with Wandsworth's Cabinet Member for Housing - Cllr. Aydin Dikerdem attending the ceremony to formally mark the completion of the external construction. He said during his visit *"This is an excellent new housing scheme that is delivering 57 genuinely affordable, high-quality council rent homes for local people in housing need."*

Looking Ahead

We will be concentrating on completing the external works with the commencement of the scaffolding removal before removing the crane from site.

Internally, we will be focussing on the plastering and carpentry works along with the installation of the kitchens and bathrooms.
